# See What You're Missing.

## Collaborative. Professional. Open-minded. Fun. Ambitious.

Working at Crestbridge is far more than just a job. We offer opportunity and a bright future, working with some of the best people in their field.

Crestbridge is different. We're totally invested in our people. As well as a competitive starting salary, your tailored learning and professional development programme starts on Day 1, helping you grow your career and achieve more.

Our Private Equity Services team supports private equity managers across all stages of the fund lifecycle, from inception through to liquidation. Our clients refer to us as "a natural choice" for private equity. With our support across all aspects of a fund's administration, accounting, reporting and governance needs, our clients save valuable time and resource that can be used to focus on their core business.

Our Real Estate Services team manages the administrative, accounting, reporting, residency, and governance needs of our

clients' real estate structures so they can focus on delivering their core business objectives. We act as a trusted partner right from the establishment of the structure, whether a fund, trust, or company, and throughout its life cycle.

Providing a customised approach to the needs of each client, our Corporate Services team ensures a proactive approach to day-to-day governance, administration, and financial reporting as well as a solutions-driven approach to complex transactions.

Our Family Office Services team works with families and advisors to preserve and enhance wealth. Our wide-ranging expertise and uncompromising service provides clients with the peace of mind and confidence to live their life and enjoy its rewards.
