

## **Job Description**

### **Post Title: Graduate, Advisory Jersey**

**A full-time position in the Advisory practice provides an opportunity to work within our biggest and longest established business.**

- We help organisations to work smarter and grow faster. Our work is always evolving to respond to industry trends and management focus, and we combine our deep technical skills in response to our clients' changing needs.
- The advisory team helps provides advice and assistance based on our deep financial, analytical and business process skills to help our clients improve the way they operate, innovate and grow, reduce costs, manage risks, leverage talent and change the way they do business.
- As part of the graduate programme you will undertake a blended learning programme involving; professional qualifications, gaining knowledge of the industry and market, self-development, awareness and leadership skills.

### **Professional Qualifications**

You will be able to study towards the ACA qualification with the Institute of Chartered Accountants of England and Wales (ICAEW). Or alternatively you can study towards the ACCA qualification to become a Chartered Certified Accountant.

### **Who is this vacancy for?**

It doesn't matter who you are, what your background is or whether you are about to graduate or did so years ago. As you'll no doubt have gathered by now, we believe diversity is our strength. However you must be academically strong - see below academic requirements.

### **Academic Requirements**

A minimum of 112 UCAS points in one sitting. You must have, or be on course for, at least a 2.1 result in your degree, from any university. The subject of your degree is not important.

### **Do you need a Work Permit?**

Due to immigration restrictions in Jersey and Guernsey the Channel Islands practice is unable to consider trainee candidates who require work permits therefore we can only accept application from candidates who currently have a right to live and work in the UK/Common Travel Area. Work permits are currently only granted once candidates are fully professionally qualified.

### **Application Timetable**

To avoid disappointment, apply as early as you can

**Further details can be found on the PwC 'Student Careers' Website.**
