

# Are you interested in becoming a volunteer?

Working **WITH** young people...

face to face  
in a youth project

Working **FOR** young people...

behind the scenes on a youth project committee

## What's in it for you?

**Great satisfaction:** knowing you have made a positive difference to a young person's life is a great experience.

**Training:** the Jersey Youth Service provides a variety of training courses to support volunteers and staff in their work with young people.

**Paid work opportunities:** once you have worked as a volunteer for six months you will be eligible to apply for paid Sessional Youth Worker posts.

**Meeting new people:** you will get the chance to make new friends and contacts. Each Youth Project and the Youth Service put on a variety of social events throughout the year and most of all...

...it's great fun!

Do **you** want to make a difference to the **lives** of **young people**?

If **YOU** can spare two or more hours a week and have an interest in supporting young people in Jersey we would love to hear from you.
