### **Qualifications & Experience required**

- Strong motivation to study towards a professional qualification
- Task management skills
- Questioning and listening skills
- Good writing skills
- IT skills
- Strong communication skills
- Team working skills

### **Benchmarking**

- A-Levels/Highers or equivalent
- Degree 2.1 or above in any subject
- Ability to take part in our online strengths based competency testing onboarding procedures

### **What we look for**

We look for motivated individuals who are looking to take the next step in their career. We're looking for someone who is striving to develop towards a management role, to project manage numerous engagements across the financial services industry in due course, whilst driving a high-performance working culture across teams. The successful candidate must be able to manage numerous commitments, including but not subject to; coaching, project management, and business development to ensure they can help us contribute to Building a Better Working World.

## What we offer

- **Continuous learning:** You'll develop the mindset and skills to navigate whatever comes next.
- **Success as defined by you:** We'll provide the tools and flexibility, so you can make a meaningful impact, your way.
- **Transformative leadership:** We'll give you the insights, coaching and confidence to be the leader the world needs.
- **Diverse and inclusive culture:** You'll be embraced for who you are and empowered to use your voice to help others find theirs.

More information can be found [here](#)

**If you can demonstrate that you meet the criteria above, please contact us as soon as possible.**

**The exceptional EY experience. It's yours to build.**

## **EY | Building a better working world**

EY exists to build a better working world, helping to create long-term value for clients, people and society and build trust in the capital markets.

Enabled by data and technology, diverse EY teams in over 150 countries provide trust through assurance and help clients grow, transform and operate.

Working across assurance, consulting, law, strategy, tax and transactions, EY teams ask better questions to find new answers for the complex issues facing our world today.
